## SCHOLARSHIP OFFER + PARENT/GUARDIAN UNDERTAKING

- ✓ Every effort will be made to ensure that scholarships are offered fairly but there is no guarantee that a scholarship can or will be offered to all applicants or for the dates requested.
- ✓ Summer School courses are provided by commercial operators and children will be joining groups of young people from throughout Dunbar and East Linton ward and beyond. Once a scholarship is offered and accepted, the parent/guardian must liaise directly with the course provider for any additional information relating to the course.
- ✓ Liability for all aspects of course delivery rests with the course provider and no liability will rest either with East Lothian Council or Dunbar and East Linton Area Partnership for any act or omission on the part of the course provider.
- ✓ Parents will be expected to arrange for their children to be at the transport departure point every morning and to ensure that they will be collected immediately on return. East Lothian Council or Dunbar and East Linton Area Partnership will take no responsibility for unaccompanied children.
- ✓ Once a child has been offered a place then every effort must be made to attend the allocated course. Where a child is unable to attend, for example due to illness, absence, change of circumstances etc the child's parent or guardian must notify **the relevant course provider immediately**. Unattended places, for whatever reason, will be forfeited and no alternative will be allocated.
- ✓ Only the named child can attend an allocated course. Placement on courses is non transferrable to other children.
- ✓ The decision on allocating spaces is final and no correspondence will be entered into regarding this matter.
- ✓ Dunbar and East Linton Area Partnership will ask for feedback from children, parents and guardians, course providers and participating schools in order to assess the Summer School benefits to learning.
- ✓ All participants must make the relevant course provider aware of any medical or fitness issues that they may have and must ensure that they meet any additional criteria (e.g. being able to swim ) as set by the course provider. There may also be a requirement to complete further documentation and satisfy further checks, as required by the course provider, before being allowed to take part in any activity.

By signing this form, you agree to all of the above and for us to share the information you have given about your child with the providers of the courses, as they will need to be aware of any medical conditions, food intolerances or other matters.
