The committee was sad to note the passing of Tom Craig. Tom and Jennifer supported twinning for several years. Tom served as Treasurer, Vice-chairman and then as Chairman from February 2002 till February 2004. Tom took on the considerable organisation involved in hosting the 10th Anniversary relay in August 2002. This involved 10 runners, 6 cyclists, 2 micro-light pilots and 20 support crew travelling the 1400k from Lignieres to Dunbar. Tom was able to involve many local clubs and organisations in welcoming the relay to Dunbar which included a parade through the town and a civic reception. We remember Tom fondly and think of Jennifer and their children.
