

Help develop your Town Centre

Feedback from our recent Local Place Plan proposed the Town Centre be developed and improved. Local organisations have been discussing what we could do to make our beautiful and historic town centre an improved destination.

We would like to create an attractive community hub with the Town House as a focal point where local people, as well as visitors, would spend time and also use it as a starting point to link with local attractions.

HOW CAN YOU HELP?

1. Join the new Residents Group

JOIN US

We are looking to start a group to represent the interests of owners, tenants, and residents on and around Dunbar High Street.

If you want to see a cleaner, cared-for town centre, get assistance with repair issues, or support with your relationships with tenants, co-owners, landlords and neighbours, please sign up below and we'll get in touch.

We will be running a drop-in session on Saturday 16th November, 10-4 at the Townhouse, so please pop along if you have any ideas, questions, or would like to discuss our plans.

Sign up here: <http://signup.dunbar.town>

2. Come to our event

**Saturday 16th November
10 am - 4 pm**

Drop into the Town House, comment on ideas and share your own. We want to hear from you.

If you can't make this date there will be information at the High Street Pop-Up Shop from the 25th of November and an event exclusively for businesses on Thursday 28th November from 4pm to 7pm.

3. Volunteer to help

Get Involved

Volunteer groups like Dunbar In Bloom make all the difference to our High Street, find out how you can help with this or in other ways.

Some of the project ideas proposed involve helping out with a Spring Clean, researching the history of the town centre, creating and agreeing signage, building planters, reviewing active travel and looking at access needs.

If you have an interest or just want to help out please let us know. Email: hello@ourdunbar.com
