

Could you be a Good Neighbour in Dunbar?

Dunbar Community Council is building a network of local community groups across Dunbar – neighbours looking out for neighbours.

Each group will cover a defined area of the town and be trained in basic first aid and how to use a defibrillator, helping provide life-saving support right where it's needed.

With emergency services some distance away and only a small team of first responders, this local support could make all the difference.

Want to be part of something that saves lives? **Join a Good Neighbour Gang today!**
